

## **GHS PTSA CALL FOR VOLUNTEERS**

Research proves that when parents are involved in their children's education, they achieve more. Schools perform better. Teacher moral even improves. Ultimately, communities are stronger when parents get involved. And, volunteering is a great way to get to know other parents and the staff. The GHS PTSA has many different volunteer positions. Whether you are a stay at home parent, work from home or work outside the home, there is a place for you in the GHS PTSA. There are many events that take place in the evening and on weekends. If your schedule does not allow you to come to events, several committees have things that can be done at home and there are activities that simply need donations. If you can volunteer just one hour you would be making a difference! Please take time to review the form below to find the right fit for you! Then, detach and return the form to the main office. Thanks so much for being a part of your child's school!
